

5 0 4 1 9 2 1 3
1 4 3 5 3 6 1 7

This image shows two rows of handwritten digits on a black background. The digits are white and have sharp, well-defined edges. The first row contains the digits 5, 0, 4, 1, 9, 2, 1, and 3. The second row contains the digits 1, 4, 3, 5, 3, 6, 1, and 7. The x-axis is labeled from 0 to 250 in increments of 50, and the y-axis is labeled from 0 to 60 in increments of 20.

5 0 4 1 9 2 1 3
1 4 3 5 3 6 1 7

This image shows the same two rows of handwritten digits as the top image, but with significantly blurred edges. The digits are still white on a black background, but the sharp boundaries are smoothed out, giving them a soft, out-of-focus appearance. The axes and labels are identical to the top image.
