

A 2x8 grid of handwritten digits is displayed on a black background. The digits are arranged in two rows and eight columns. The first row contains the digits 8, 1, 0, 6, 4, 7, 6, and 0. The second row contains the digits 9, 7, 4, 0, 1, 2, 7, and 3. The digits are written in a light gray or white color, giving them a slightly blurred or pixelated appearance. A coordinate system is overlaid on the left side of the grid, with the x-axis at the bottom and the y-axis on the left. The x-axis has major tick marks at 0, 50, 100, 150, 200, and 250. The y-axis has major tick marks at 0, 20, 40, and 60. The origin (0,0) is at the top-left corner of the grid.
